Goodale, Esq., Col lector General of Customs, with great care, from the Custom House books. Had we space, we cle, which has a semi-official air, intimating that should be glad to make an extended comparison of the Allies contemplate raising the siege of Seyas-the past with the present yearly returns, but we gies to the destruction or expulsion from the Crihave room for only a few of the more important mea, of the Russian army brought up to relieve the place. "In our opinion," says the Constitutionel, "the siege of Sevastopol was finished and the campaign of the Crimea commenced on the day 71 when the arrival of Danneberg's corps placed 80 Prince Menschikoff at the head of one bundred and 69 ten thousand men." Once Danneberg's army overcome and dispersed, it is argued Sevastopol would surrender or be carried by a single assault. O3 The weather favors the Allies. Prince Menschi-18 koff has been joined by all the disposable troops within a hundred leagues, and cannot expect, 24 amid the snow and rigor of a Russian winter, to be 17 reinforced by another man, while the fresh troops 58 for the Allies are pouring in by sea, and may continof ue to do so all winter. Danneberg's corps was imports in 1854 exceeded those of 1853, the Cuschikoff, that it arrived without provisions, without ctom House receipts are less in the latter than the artillery, without ammunition or stores of any kind. fermer year. This apparent error is accounted already commenced, which transforms the steppes into marshes and closes the passage to any arriwhich took effect during the last 8 or 9 months of vals by land. "It is against these demoralized the year, reduced the revenue from that source soldiers," says the Constitutionel, "that our army, -revictualted by an immense fleet, reinforced by year is only \$3,514 59 less than 1853. As the law by the victories of Alma, Balaklava, and Inkerman,

From Australia.

The Revenue Returns for the Province of Victoria have just been published. On the quarter ending September 30th, the total increase on the aggregate revenue is £92,586, and on the year £333, 211 847. The increase on the aggregate of the territo-148 rial revenue on the quarter is £160,343, and on the year £413,433. The total increase respectively, as compared with 1853, is £352,929 on the quarter, 525 and £747,280 on the year.

From New Zealand, we learn that the net revenue for the year, after deducting the costs of collection, is estimated at £146,315, and the expendi-17,537 ture, exclusive of the costs of collection, £37,329 \$70,209 68 -leaving a balance of receipts over expenditure of
